Index to AMERICAN JOURNAL OF NURSING

VOLUME 70, NUMBERS 1-12

JANUARY-DECEMBER 1970

This index is arranged in two sections, the Subject Section and the Name Section. **Articles** and **Book Reviews** are entered under the name of the author and joint authors in the name Section and under one or more subjects in the Subject Section.

News items are under the names of the organizations or groups mentioned in the Subject Section as well as the subjects to which the items pertain. **Honors** bestowed upon nurses, including academic degrees, are under the subject **AWARDS AND PRIZES**; **Colleges and universities** are under the specific name of the institution and **hospitals and hospital schools** are under the name of the state and thereunder by city. All **appointments** are under subject **APPOINTMENTS**; however appointments to state, national, international and federal agencies are also under specific name of agency involved and under personal name in the Name Section. The same procedure is followed for **obituaries**. For **biographies** see subject **NURSES, BIOGRAPHY** and personal name in the Name Section. **Education programs**, the opening or closing of schools and special courses given for credit, are found under subject **EDUCATION PROGRAMS**. For non-credit or short-term courses, seminars, etc. see **EDUCATION PROGRAMS** for paging on which these programs are listed.

Note that the subject headings are the same as those used in the **International Nursing Index** and are based on the *Medical Subject Headings* published by the National Library of Medicine. A "Nursing Thesaurus," which is a list of nursing headings commonly used with referrals to the headings used in INI, as well as in the annual indexes of **American Journal of Nursing**, **Nursing Outlook**, and **Nursing Research**, is published each year as part 2 of the first issue of INI and is bound in the fourth and cumulated hard cover issue. Copies of this Thesaurus are available upon request from the American Journal of Nursing Company.

The paging is continuous within the yearly volume. The numbers following each entry indicate the volume and page for 1970, i.e., 70:210 means vol. 70, page 210. Following are the page numbers for each month:

January pp. 1-210
February 211-436
March 437-680
April 681-942

May pp. 943-1170
